

# Retouching markers

For retouching minor surface damage on wood and veneer

suitable for internal use

## Characteristics:

For transparent-colour touch-ups of minor damage on furniture or worn-away veneers. For touching up sapwood on solid wood or for colouring edges in indoor areas. Quick drying, strong colours, lightfast and wash resistant. Genuine wood colours.

## Areas of Application:

Can be used on all lacquered, glazed, oiled or waxed wood surfaces; e.g. furniture, doors, floors, stairs or wall panels. Also suitable for edge areas.

## Colour shades:

light oak, medium oak, medium walnut, dark walnut, mahogany brown, red mahogany, teak, black, white, cherry, beech, larch, alder

## Storage:

Store in a cool and dry place protected from frost.

## Disposal:

Smaller amounts can be disposed of in the regular household waste.

## Water hazard class:

Water hazard class 1: slightly hazardous for water

## Safety precautions:

Even when working with low-polluting products the usual safety measures should be complied with. Store out of the reach of children. Wear suitable protective clothing. Do not allow product to find its way into the sewage system, surface waters, or groundwater. Please refer to the safety data sheet for more information.

## PROCESSING

### **Preparation:**

Clean the damaged surface before use.

### **Processing:**

Test the colour and compatibility with a test application on a hidden surface. Subsequently touch up the damaged surface with the retouching markers.
